

HECTRE ARE DOUBLE GOLD WINNERS

April 2023

The 2023 Stevie Awards was more like the Hectre awards with the orchard technology company crossing the finish line with two Gold Awards:

» Most Innovative Tech Startup of the Year – Software

» Most Innovative Tech Startup of the Year – Business Product Industries

“Food wastage, especially for export, is a huge problem across the globe and it’s exciting to see how Hectre are trying to solve this issue. Outstanding work.” one judge commented.

Great work to the Hectre team! [Read more](#)
